### **In theaters Now "UNPLANNED"**

Despite an "R" rating and little coverage outside the media circle, the movie "Unplanned" opened in 5<sup>th</sup> place last weekend and is expanding to more theaters. If you haven't seen this powerful motion picture, make plans to see soon. This is the inspiring true story of Abby Johnson's journey of transformation. The most important movie you'll ever see on the most controversial issue of our time. What she saw changed everything. No matter which side of the fence you're on, no one will leave this film unmoved.
