Elder Board Report

The Elders held a retreat on March 23 and 24 focusing on discipleship and prayer over the next year. April 9, they held their business monthly meeting. The Deacons joined the beginning of the meeting for Bible study and prayer. Reports were given by the pastors and the ministries of the church were reviewed and prayed for. The Elders are encouraged by the many good things happening at St. Paul's, for the healings and care in our congregation, the giving of our people, our spiritual growth and new members joining us. The process of identifying future Elders and leaders within the church as begun and we encourage you to speak to any Elder about who you would like to see as a candidate for Elder or other leadership positions. Our By-Laws contain the Elder qualifications and duties. A town hall has been set for May 20 between services to discuss our outreach, the 175th anniversary celebrations, and answer questions. The meeting ended with prayer. We are thankful to God for our opportunity to serve Him and His people at St. Paul's.

Blessings, Kelly Schjenken, Elder Chair

Town Hall, Outreach, and More

Hello church family. On May 20, St. Paul's will host its first town hall in over a year to give some updates and foster communication on the direction of the church. At the annual meeting, I said that we would solicit outreach possibilities from the congregation and give a report, which we will do on May 20. There has been much prayer and seeking the Lord during these past four months.

Also, we will have information about our 175th celebration and a brief update regarding our by-laws being updated to accommodate the pastoral team model more straightforwardly.

I would like to encourage you to reflect on this *outreach concept* which has been adopted by the Outreach Team in preparation for the town hall. "We do good works, to build good will, to share Good News." Where can we do good works? Where have we built good will? How can I share Good News? The next step for outreach is equipping our people to answer those questions and get involved as effectively as possible.

Many blessings to you in this exciting stage of the life of St. Paul's. - *Pastor Brian*

An Evening with C S Lewis

Join our St. Paul's Group:
Sunday, May 20 – 2:00pm
The Playhouse at Westport Plaza
Tickets -- \$25 each

The year is 1963 and CS Lewis, the famous British author, is hosting a group of American writers at his home near Oxford. They are about to experience a captivating evening with a man whose engaging conversation and spontaneous humor made him one of the great raconteurs of his day.

Seated in his living room and in front of a warm fire he recalls the people and events that inspired his thought and shaped his life; of his friendship with J R R Tolkien; why he nearly abandoned the Narnia Chronicles; how he came to embrace Christianity and of the American woman who turned his life upside down.

Ralph Stahlhut is Honored

Our own, Ralph Stahlhut, a long time member of St. Paul's since 1964, was recently honored by the Pattonville School District upon his retirement from the Board of Education after serving for 28 years. The district published the following:

The Pattonville Board of Education bid farewell and thanks to a longtime school board member during its April 10 meeting. Ralph Stahlhut, who served on the board for 28 years, decided not to run for re-election this year. In tribute to Stahlhut, the board approved a resolution naming the stage at the Pattonville High School community auditorium "Stahlhut's Stage."

Stahlhut concludes a long volunteer career in Pattonville, during which time he held every leadership position on the school board (president, vice president, secretary and treasurer) and served on numerous district committees. He has been a longtime supporter of Pattonville students, regularly attending their activities and athletic events, and has been a key member of the board as Pattonville's student achievement has increased and facilities were improved.

Stahlhut's family was on hand as the board unveiled a plaque commemorating the stage's new name. A longtime Maryland Heights resident, Stahlhut and his wife, Carole, are the parents of two Pattonville graduates, both of whom work in the education field.

Congratulations Ralph, and thank you for all you have done for area students!

At our April meeting, the Women's Fellowship enjoyed a presentation by Phyllis Bauer, about one of our ladies' mission groups, **Stitch In**.

This group meets on Tuesday mornings at the church with other sewing groups (Quilters, & Linus Project). **Stitch In** sews clothing (Shorts, Shirts, Dresses,) for Congolese Orphans in Tandala Africa, through the **EFCA WHITE CROSS MISSIONS**. Amazing articles are being sewed each month at church and at homes by our "Stitch In Gals", which become blessings in Africa.

UPDATE FROM 2018 PHILIPPINES CONFERENCE (*=code name)

By Kurt and Barbara van Dyk

The Sasi* has a population of approximately 14,700, with 1,490 being served by St. Paul's sponsored front liners. Most families are engaged in fishing and supplementing their needs by farming their own vegetables and bananas. The community previously being served was flooded out during a typhoon and villagers forced to relocate to another area. Five home churches have been established and our workers, Shane* and Camilla*, feel the gospel ministry is flourishing in this area.

In 2016 the work was disrupted by unbelieving leaders, both religious and military, who lived outside this community. Some believers renounced their faith in Christ and others relocated to another area. However, both the religious and military leaders of this particular community have accepted Christ and refused to renounce their belief, even in the face of persecution.

Two testimonies were presented about believers in the community. Serena* is a 38-year old woman who became a believer 5 years ago. Her ministry is to pray for the sick and share the gospel. Although her husband is not a believer, when his nephew became extremely ill and placed in the hospital, he asked his wife to pray for the nephew. She did pray in the name of Jesus Christ and the nephew was healed. She continues to pray for the salvation of her husband and other family members. Naomi* is 35 years old and has been a believer for two years. She shares the message of the gospel and importance of water baptism. Her main opposition comes from her in-laws. She has her own small retail business and as she goes from home to home, to sell her wares, she will share the gospel. This in spite of the opposition, mockery and persecution she often faces. Naomi* continues to bring others to faith in Christ. Pray for her safety and for the conversion of her family, particularly her persecuting in-laws.

Continue to pray for our two lone Sasi* workers, for their physical, emotional and spiritual safety. The area they work in is located near the southern end of Mindanao. Both girls have worked with this ministry for several years, but have recently been moved into the Sasi* area. Praise God the community leader is a believer, having accepted Christ through the witness of a previous area worker, and they have been placed under the care of his mother. Camilla* was raised in northern Mindanao and Shane* in the south but, by the grace of God, both attended the same University and became friends there. Each were previously assigned to other people groups, but are now reassigned to the Sasi*. Currently, their biggest hurdle is learning the new dialect necessary to work in this area. Ask God to bring this skill to them quickly so they may better communicate with all those living in the community. Also, pray for God to bring more workers (particularly young men) to this ministry.

Stories and testimonies were also shared by front liners serving with other unreached people groups. We are encouraged and blessed to see the brave, bold approach all these young people are taking to reach others for Jesus Christ. We are amazed at how God is still using dreams and visions to reach those who still have no Bible translated into their heart language. We praise God for allowing us to call these workers our friends.
