Dr. Bob Yarbrough, Guest Teacher Today

Every Christian should ponder the question: How can I be great for God? From the creation mandate to the great commission to the instruction of the epistles and the visions of the Apocalypse, God tasks his people to do great things. Ours is not a religion which encourages mediocrity, nominal devotion, or minimalist objectives. In these lessons we will rediscover and affirm *God's* enabling and goals for his people to live lives of exemplary fruitfulness and significance.
