From the Elders by Jim Glauert

Please join us in the multi-purpose room on Sunday, August 18 between services for a St. Paul's townhall meeting. One topic will be how we'll be filling Pastor Brian's position. The other topic will be the future of the "Youth House" across the street at 920 North Warson.

In addition to discussing what's to come at St. Paul's we'll also be hearing from missionaries Allan and Cindy Pavey. Alan and Cindy serve at a Torchbearers International Bible School in Champfleuri, France.

Sunday School Hour in August

Pastor Bob Yarbrough

will be joining us throughout August (except August 18)
during the Sunday school hour

Every Christian should ponder the question:

How can I be great for God?

From the creation mandate to the great commission to the instruction of the epistles and the visions of the Apocalypse, God tasks his people to do great things. Ours is not a religion that encourages mediocrity, nominal devotion, or minimalist objectives. In these lessons, we will rediscover and affirm God's enabling and goals for his people to live lives of exemplary fruitfulness and significance.

Children's Ministries Update

by Lisa Stahlhut

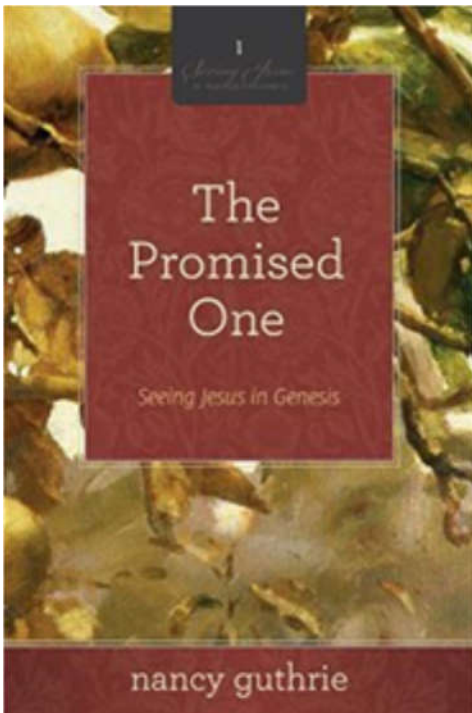

While summertime is often a time of rest and relaxation, it is NOT a time for us to take a break from our walk with God, or the planning of future events for our children. With that in mind, plans are already being laid out for the next few months.

Thank you to all who helped our VBS mission project with White Cross. We were able to put together a lot of kits that will begin their journey soon to the Congo. We could use a few more new hand towels, latex gloves, balloons, and 7 inch scissors (not craft – needed to cut cloth). If you would like to donate, please leave in the office with the items marked "White Cross." Thanks in advance!

Summer Sunday School continues in the Power Plant each week. A town hall meeting has been called for August 18, however there WILL still be Sunday School for the children.

On September 15, we will kick off our new season of Sunday School! Children 2 – 4 years old will join our Beginners Class in the orange room and children 5 years old – 6th grade will join the rest in the Power Plant. I am looking forward to and am already making plans for our time together this year.

Mark your calendars! Our annual Trunk or Treat will be held on Sunday, October 27. More details to come!

WOMEN'S FALL BIBLE STUDY Begins September 11, 9am to Noon

As we open up Genesis, we want to see Jesus. We want this study to enlarge our understanding and correct our misunderstanding about who He is and what his gospel is all about. Usually we don't turn to the Old Testament to see Jesus. Instead, we turn to the Gospels in the New Testament to see Him. Yet Jesus said to the Jewish leaders, "You search the scriptures because you think they give eternal life. But the scriptures point to me." (John 5:39) And, of course, the scriptures He was talking about were the books of the Old Testament. Jesus himself made it clear that we can search the Old Testament scriptures and find him there. This study is uniquely designed to help you to look in the wonder of the first book of the Old Testament – Genesis – and see how it prepares for and points us to Christ.

ANNIVERSARY BOOKS STILL AVAILABLE

There are still some of the special, red books available that were produced for the 175th Anniversary celebration. If you would like to purchase one, stop by the Big Desk or contact the church office.
