**CALL TO WORSHIP**

Blessed be the God and Father of our Lord Jesus Christ!

**According to His great mercy, He has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead, and has given us an inheritance that is imperishable, undefiled, and unfading.**

Therefore, prepare your minds for action, and be sober-minded; set your hope fully on the grace that will be brought to you at the revelation of Jesus Christ.

**Lord, we thank You that we have been ransomed from the futile ways inherited from our forefathers by the precious blood of Christ.**

**All: We praise You that we are now children of the light. Help us to walk in Your way.**

While we weren't paying attention, the US became the 6<sup>th</sup> largest unchurched nation in the world, with 2.7 million leaving the church every year. Most evangelicals are holding false theological views despite the clear teaching of Scripture. For example, 61 percent say that all religious faiths are of equal value, and 60 percent believe that we can earn our way into heaven through being good. Pray for the local church and for the efforts of organizations like Cru reaching out to the lost in our own country.
